

Goodnight Moon

Am G
There's a nail in the door and there's glass on the lawn

Dm Am
Tacks on the floor and the TV is on

C Dm E7
And I always sleep with my guns when you're gone

Am G
There's a blade by the bed and a phone in my hand

Dm Am
A dog on the floor and some cash on the nightstand

C Dm E7
When I'm all alone the dreaming stops and I just can't stand

Dm
What should I do just a little baby

Am
What if the lights go out and maybe

Dm
And then the wind just starts to moan

E E7
Outside the door he followed me home

Dm
Well goodnight moon I want the sun

Am
If it's not here soon I might be done

Am E7 Am
No it won't be too soon 'til I say, Goodnight Moon

There's a shark in the pool and a witch in the tree
A crazy old neighbor and he's been watching me
And there's footsteps loud and strong coming down the hall

Somethings under the bed now it's out in the hedge
There's a big black crow sitting on my window ledge
And I hear something scratching through the wall

Chorus

Well you're up so high, how can you save me?
When the dark comes here tonight to take me up
The mouth from woke and into bed
Where it kisses my face eats my hand

Chorus & Repeat last line
